ARTICLE XIII - JUDGES

(Housekeeping)

2.3 Games proposing to use an adjudicator who is from a jurisdiction without an adjudicator approval process for the discipline(s) he/she may be retained to adjudicate and who is not on an Approved Adjudicators List identified in clause ~~3.1~~ **2.1** shall obtain timely approval/disapproval by the Association prior to engagement.

Rationale:

Correction of typographical error, "clause 3.1" should be "clause 2.1". There is no clause 3.1.
