Part VII. BAND CONTEST RULES

m. Determination of Band Contest Results:

Determination of Aggregate Prizes: Contest sponsors holding more than one sanctioned contest within a single grade may elect to award an aggregate prize for the best overall band within a single grade. This is determined by adding the total points awarded to each band for both contests. The lowest combined total is the aggregate winner for that grade. In the event more than one band has an identical combined total, the ties will be broken by the adding the order of finish in the MSR contest for grades one, two, and three and ties will be determined by the order of finish in the ~~Quick March Medley~~ **Timed Medley** contest for grade four and juvenile ~~only grades~~ **contests. In Grade five contests, ties will be broken by the order of finish in the Quick March Medley.**
