

Northern Branch Protocol for requesting Educational Funds

- A. Any Northern Branch Band or Northern Branch WUSPBA member may request funds to help sponsor an educational event. The following must be adhered to:
1. Make requests for funds known at the Northern Branch Annual General Meeting. Any other requests, through out the year, will be considered on an individual basis subject to available funds.
 2. All WUSPBA members, both soloists and Bands must be invited to the event. Attendance would be optional to all members.
 3. Any profits would be split 50/50 with the Northern Branch, once a break point has been achieved. An audit of funds would be between the event sponsor and the Northern Branch Treasurer, after which the Northern Branch funds would be distributed.
- B. The amount of funding available will be dependant on the number of requests at the Annual General Meeting.
- C. Educational funds left over from one fiscal year will roll over into the next fiscal year.
